3. 10yrs- 6
4. 11yrs- 6
5. Only 3 teams in 12- move to Intermediate which will then make 24 teams & 19 teams in Senior

## Recommendations/Discussion

### **4 Intermediate divisions- put all 12 years teams in Division 4**

**Discussion-** Dowling real estate- requested Int 3, consider Int 2 due to 12's moving up, many players in this team have not played before and those that did played in a team that did not place.  
Committee recommend Int 3.

**Discussion-** Pixies(Int 2, have 4 previous players, and Int 1 player from another club & a 17 year old, decision to keep in Int 1

**Discussion-** KISS recommend remain in Int 2

**Discussion-** Warriorettes - should they be in Int 1 based on finishing position and age of players, Move to Int 1

**Discussion-** Intimidators- move to Int 2, not Int 1 due to 4 new players & low finishing position

**Discussion-** Outsiders- a new team as only 3 players from previous season, new players had played in a Senior division last year and mix of 16/17 year age group, remain in Int 1

**Discussion-** AOK's- currently recommended Int 4, have 6 12 yr old All Stars- currently recommended Int 3, Contours-to Int 3, Legends- Int4 Rubies to Int 4

**Discussion-** Move Rubies to Int 3 & Roxies to Int 4  
6 Teams in each Division

### **Senior- 19 teams = 3 Divisions**

**Discussion-** St Brigids- request the lowest grade, move to Int 3, Cow Calves to Int 2, What Not to Wear to Int 3, some concern expressed about Cow Calves from 3 to 2, committee felt that the competition would be better suited for the younger members
